5 " "	1	45 & " 55	8	<u>TOTAL DEATHS</u>	<u>88</u>

SECTION B.

GENERAL PROVISION OF HEALTH SERVICES IN THE AREA.

- (a) Laboratory Facilities. No change.
- (b) Ambulance Facilities. The private ambulance situated in the town has continued to give prompt and effective service.
- (c) Nursing Facilities. No change.
- (d) Clinics and Treatment Centres. No change.
- (e) Hospitals. Considerable extension of St. Margarets Hospital, both in the matter of accommodation and surgical equipment and appliances.
- (f) Maternity and Child Welfare. No change.

S E C T I O N C.

SANITARY CIRCUMSTANCES OF THE AREA.

- (i) Water. No change.
- (ii) Drainage and Sewerage. Despite the increased flow due to the continued presence of Evacuees in the District, both Works continue to give satisfactory results.
- (iii) Schools. No change.
- (iv) Public Cleansing. No change.
- (v) Closet Accommodation. No change.
- (vi) Public Conveniences. No change.
- (vii) Smoke Abatement. Complaints of a nuisance from smoke and obnoxious smells arising from the Incinerator at St. Margarets Hospital have been referred to the County Council but the cause of complaint has so far not been removed.
- (viii) Swimming Bath. No change.
- (ix) Eradication of Bed Bugs. No serious cases.

SECTION _____ D.

HOUSING.

No new houses were erected during the year.

Since the outbreak of war it has not been possible to continue the making of regular inspections, although every complaint received was effectively dealt with, and a number of defects remedied.

The Evacuation Scheme continues to cause a certain amount of overcrowding from time to time, and although it is impossible to adhere to pre-war standards, steps have been taken to deal with the worst cases and safeguard the interests of the public health.

SECTION E.

INSPECTION OF FOOD.

Meat. Occasionally small quantities of meat unfit for human consumption have been seized.

Milk. No change.

Bakehouses.

Camping Grounds.

Hairdressers' Premises.

Shops Act.

No Change. No complaints.

S E C T I O N F.

PREVALENCE OF, and CONTROL OVER, INFECTIOUS and
OTHER DISEASES.

The number of infectious cases arising from St.Margarets Hospital has increased.

There has been no widespread epidemic and the health of the community has been good.

Notifications received during the year:-

			<u>Total</u>	<u>Sent to Hospital.</u>
Scarlet fever	13	10
